feel good about turning his life around even if he's currently at a low-point, stuck in a small town high school. When I asked my adult son, a nouveau cirque acrobat, for a song Reece would likely be listening to around this time, he chuckled and answered without pause. This song pairs well with stage routines ...

David falls in love in a girl named Meg when she appears to literally fly out of the sky on angel wings to give him hope. The event turns out to be a flash mob prank, but Meg sincerely cares for David after hearing about his problems. While Meg resembles the trope in that she is often energetic, has many random quirks, and is devoted to David's wellbeing, she avoids the trope's pitfalls ...

Meg meets Sam. Meg first came into contact with the Winchester Family when she encountered one of Azazel's "Special Children", the hunter Sam, in Scarecrow. Sam had gotten into an argument with Dean and was thus separated from his family at the time. She pretended to be startled when he came up from behind her and touched her on the shoulder while she sat by the side of a road and listened to ...

Boy and Girls, I wrote a review about the Ryobi Soldering Iron less than 12 months ago. Contrary to my religious beliefs, I performed a mortal sin by breaking one of my commandments. I actually considered cost into the equation when deciding on purchasing the Iron. I will defend my insanity on the grounds that I seldom solder (or is it seldom sober) and did not consider I would need the added ...
